GENEVA NURSERY,

GENEVA NEW YORK,

5,000 ACRES IN CULTIVATION OF

Fruit and Ornamental Trees, Roses,

Shrubs, Etc.,

W. & T. SMITH, PROPRIETORS.

We claim great advantages for the soil of Geneva and vicinity, in the production of Healthy, Long-Lived Trees. This is a matter of great importance to every planter. Not a year passes that we do not receive additional testimony of the fact that trees grown upon our heavy, strong, rich, well-drained soil are healthier, longer lived, less liable to injury from extreme cold, and more productive than when taken from a light soil. Another very important fact is that being furnished with a more abundant supply of healthy, well-developed and fibrous roots, they bear transplanting to a different soil and climate much better.

All persons authorized to act as Agents for us, are provided with a written certificate to that effect, and we request that they be required to show their certificates. Stock is not unfrequently sold by persons without authority, and not furnished from the places they pretend to represent; by which means many poor trees and plants are distributed causing great dissatisfaction and disappointment. BUY GOOD STOCK OF RELIABLE MEN, and this may be avoided.

Don't Experiment.

You cannot afford to waste time in experimenting when your lungs are in danger. Consumption always seems at first only a cold. Do not permit any dealer to impose upon you with some cheap imitation of Dr. King's New Discovery for Consumption, Coughs and Colds, but be sure you get the genuine. Because he can make more profit he may tell you he has something just as good, or just the same. Don't be deceived, but insist upon getting Dr. King's New Discovery, which is guaranteed to give relief in all Throat, Lung and Chest affections. Trial bottles free at Z. C. M. I. Drug Store.

COMMON-SENSE Bob Sleights, at the Co-operative Wagon and Machine Co.

Saved His Life.

Mr. D. L. Wilcoxson, of Horse Cave, Ky., says he was, for many years, badly afflicted with Fithisic, also Diabetes; the pains were almost unendurable and would sometimes almost throw him into convulsions. He tried Electric Bitters and got relief from first bottle and after taking six bottles, was entirely cured, and had gained in flesh eighteen pounds. Says he positively believes he would have died, had it not been for the relief afforded by Electric Bitters. Sold at fifty cents a bottle at Z. C. M. I. Drug Store.
